# HOPE North Zone Camp

## Introduction:

The HOPE North Zone Camp 2022 was organized by CETA Galaxy Charitable Trust from September 3rd to 5th at Lead College of Management in Dhoni, Palakkad. This was the first offline regional camp post COVID conducted with the primary objective to empower participants with an array of life-enhancing skills and insights. With much excitement the students from districts from Ernakulam to Kasargode participated the 3 day event.

## Day 1:

The first day comprised of Empowerment and Ice Breaking Sessions. The event began with a spirited ice-breaking session led by trainer, Shri V.K. Krishna Kumar. Attendees were divided into groups and the trainers then steered the students through welcome activities and team-building exercises, cultivating a sense of unity and anticipation.

During the inauguration function scheduled at 4.30pm, the keynote address was given by Shri. Muhammed Hanish IAS, Principal Secretary, Govt. of Kerala. Shri. Hanish motivated the students by sharing his rich experience and journey to success. We are extremely grateful to have Shri. Hanish's presence as he attending ceremony despite his hectic schedule.

Participants were uplifted by the Strength Analysis session led by trainer Shri. Nishanth, followed by an interactive performance review and discussion facilitated by Shri. Krishna Kumar, and the HOPE team. Shri. Shaji C. Mani covered a session on Multiple Intelligence, opening minds to the diverse realms of human capabilities.

## Day 2:

The second day primarily focussed on Skill Enhancement, Exploration, Career and Communication Mastery. The day began with a spirited Wake-Up Call, followed by Zumba and a hearty breakfast. The schedule was thoughtfully designed to cover an array of essential skills and insights.

Shri. Murugesh Ramaiya guided participants through crafting impactful CVs, while Hima introduced the CGCT Digital Learning Platform. Benny led sessions on English Communication and Effective Public Speaking, empowering attendees with valuable tools for clear and confident expression.

# HOPE North Zone Camp

HOPE Plus students and Shri. Cijo jointly conducted a class on Goal Setting for the HOPE students. Interactive group discussions, presentations and mock interviews were facilitated by Shri. Murugesh, Shri. Krishna Kumar and HOPE volunteers provided the students with a first hand experience on attending real-life career challenges. A session on Financial Planning, led by Shri. S S Jayasanker, Former VP, HDFC Bank, provided crucial insights into managing personal finances.

Participants kindled connections during a Campfire Preparation, paving the way for lifelong friendships. Evening concluded with dinners for parents, volunteers, and various groups.

## Day 3:

The final day of the camp commenced with the session by Shri. Thomas George, Director of LEAD College illuminated Decision Making and Stress Management, equipping attendees with tools to navigate challenges. Shri. Jils explored strategies to confidently face exams, while Shri. Vishak conducted a session on creativity.

Volunteers were honored, and certificates were bestowed. The session concluded in the evening and the students returned back with better confidence, knowledge and memories.

# HOPE PLUS

**HOPE PLUS**, launched in 2017 is the logical extension of HOPE to support HOPE beneficiaries for higher education. Under this scheme, HOPE beneficiaries who complete their 12th grade with outstanding academic performance will be supported for 5 more years to pursue higher education in their chosen areas of interest. The most eligible students will be provided financial support (INR 15,000 to INR 60,000 per year) for a maximum period of 5 years.

During the year 2022-23, 64 new students were awarded HOPE PLUS scholarships making the total number of HOPE Plus beneficiaries 197. Another major milestone under HOPE Plus project is extending the support for students from College of Engineering Trivandrum (CET). We are extremely proud to share that out of the total 197 students, 41 beneficiaries are from CET. We thank the management from College of Engineering Trivandrum for all the coordination effort in implementing this project.

HOPE plus students are being supported by M/s Voltas Ltd, M/s Saint Gobain India Pvt Ltd and M/s Orbinox Ltd. HOPE PLUS students are being active volunteers in CGCT activities and have taken a proactive role in organizing the district level camps and workshops as well as the South Zone & North Zone empowerment camps.

**During the year 2021-22, 42 new students were awarded HOPE PLUS scholarships making the total number of HOPE Plus beneficiaries 183.**

## HOPE Plus Scholarship Distribution

The distribution of HOPE Plus scholarships for the recently admitted students from the 2021 batch took place in a modest ceremony at CETAA Hall on Wednesday, June 22nd, at 4 pm. The esteemed Chief Guest for the event was Honorable Principal Dr. Suresh Babu. Also present were Dr. Ashalatha, Secretary of CETAA, Dr. Jayasree P K, former Secretary of CETAA, distinguished members of the CETAA community, dedicated HOPE volunteers, and supportive well-wishers.

HOPE Plus program for CET students launched in 2019 is supporting 58 students from different batches and branches of CET. Each student will get up to Rs40,000/year as financial support.

# HOPE CARES

## Skill Development Programme

**HOPE CARES** is a comprehensive programme covering the most backward rural and tribal areas of Kerala with a multipronged approach to financial support, mentoring, handholding through higher education, and employment support through skill development. Currently, 310 students from 3 tribal schools in the Attappady area of Palakkad district are being supported under this.

**HOPE CARES** Skill Development Program is aimed at extending job-oriented training to school dropouts from the tribal belt. The objective of the program is to help them find a livelihood by acquiring proficiency in specialized areas. Selected students are being sent for intensive skill development training at the ICICI Skill Development Centre in Coimbatore. The program is being organised in association with Voltas and is operational in Attappadi (Palakkad District) and Wayanad. Upon successful completion, around 310 youths from Attappadi and Wayanad have already been placed in various reputed companies in South India. We could not pursue this program due to COVID and we are trying to re-invent the skill development activities.

**Around 310 youths from Attappadi and Wayanad have already been placed.**

## Iftar Gathering 2022

The Iftar gathering of HOPE volunteers and well wishers was conducted on 24th April at Lavendar Hotel, Al Nahda 1, Dubai. HOPE volunteers based out of UAE participated in the gathering along with their family. This was the first physical gathering post COVID.

The audience were briefed on the upcoming activities of the Trust and progress of the current project.

## The Way Forward

While the pandemic has brought the world to a stand still for a few months last year, the indomitable spirit of commitment have enabled us to adapt to the new normal and continue our engagement with our students in new ways this year. With digital becoming a way of imparting education, CGCT also resorted to that mode to give various training programs to our scholarship beneficiaries. Online district meets were conducted across all 14 districts which were organised by the senior Hope Plus students demonstrating their organisational skills and leadership capabilities.

Completing a decade of excellence in serving the most deserving students from weaker sections of the society gives CGCT the confidence to embark upon a new journey to guide our students to be future ready. For this, we need to reach more like-minded individuals and industry houses who can contribute to this mission. We are now working towards creating more awareness of our programs through roadshows, social media campaigns and newsletters to reach a wider audience.

We are also embarking on a holistic digital journey whereby our internal administrative processes as well as interactions with our students and well wishers will be digitalised. Further, a digital learning platform is on the horizon which will enable continuous engagement with our beneficiaries in addition to providing them focussed online learning opportunities.

Making the students ready to get a head start in their careers is another task that we are gladly venturing into. This will be achieved through focussed trainings and finishing programs in addition to facilitating internships and creating industry awareness. All this and much more will be possible if we get continued support from each one of you who have played a vital role in guiding the trust into the position that it is today.

*We are content and proud of what we have accomplished so far. At HOPE, we are constantly challenging ourselves; trying to perform better than our previous years. We hope to not leave any stone unturned in expanding the reach of HOPE to those who may benefit from our cause. Our objective is to support around a thousand students, and we hope to achieve this soon. We are also confident that our incessant endeavours to uplift the lives of the less privileged will also bring great impact in their lives and inspire them to create positive change in society. With our efforts, we are hopeful to carve a future generation of educated, compassionate, and socially responsible youngsters. We are open to associate and join hands with anyone who would like to join us on our journey to help these brilliant students.*
